Submitted to His Highness

4 As desired in the Private Secretary's Memorandum No 1449 dated 7th October 1912 I submit for the orders of His Highness the papers connected with the memorial dated 4th October 1912 from Suffora Bi Bi the widow of Mr Abdul Rahman K B late Member of Council

2) The memorialist now represents that her son M Abdul Wahab has passed the Matriculation Examination in 1911 that he sat for the Cambridge Senior Local Examination recently held in Coonoor in which he expects to secure a pass and that he intends joining one of the Inns of Court at London She prays that in consideration of the present indigent circumstances of the family, suitable scholarship may be conferred on her son Abdul Wahab to enable him to prosecute his studies for the Bar

3) From the information available here it does not appear that Mr Abdul Wahab's attainments are of a high order We have yet to hear if he has passed the Cambridge Local Examination, a success in which is preliminary to his admission to the Inns of Court The request therefore appears to be at least premature

4

3 The matter is altogether one for His Highness' grace No Damodar Dass Scholarship can be granted and no State scholarship is ordinarily given for the encouragement of legal studies (Recently however a sum of £150 was sanctioned to Mr Mir Basit Ali Khan son of Mr Mir Kamaluddin Ali Khan towards his expenses in being called to the Bar)

5 Mr Abdul Wahab and his two younger brothers Abdul Baseeth and Abdul Hameed have been in receipt of a scholarship of Rs 30 a month each from March 1905 The scholarship of Mr Abdul Wahab ceased on his attaining 21 years i e in the year 1910 It is being continued in the case of the remaining two sons

6 It will thus be seen that the Government of His Highness have extended sufficient help to the family of the late Mr Abdul Rahman It does not appear that there is justification enough for the Government to sanction further financial aid to the family

7 With reference to the statement of the memorialist at para 4 of the memorial that her previous prayer on the same subject is still pending orders of Government I wish only to point out that the matter was finally disposed of on 15th August 1910 when an endorsement No 1583/Edn 47-09-6 was issued to her ordering that the scholarship

5

of R 30 paid to Mr Abdul Wahab should cease on his attaining 21 years of age

Dated, the 7-10-15

Petition No 58 dated 4th October 1915, from Sheriff Rahimbi, wife of the late Mr Abdul Rahman, Member of Council, my late father, Superintendent, Cleveland Town, Bangalore, is forwarded with compliments to the Secretary of Commerce, Bangalore, for favour of submission of report in the case with his opinion on the subject

By Order,

Private Secretary

To
His Gracious Highness

Sri Krishna Rajah Wadeyar Bahadur GCSI

MAHARAJAH OF MYSORE

May it Please Your Gracious Highness

The humble Memorial of the Widow of the late Mr Abdul Rahman Saheb K B Member of the Mysore State Council, most respectfully Sheweth

That your Highness is not unaware of the long faithful and meritorious services rendered to the State by her deceased husband, whose sudden demise soon after retirement followed by the untimely death of her grown up sons in Government employ plunged the family into embarrassment

It was in consideration of these adverse circumstances that the Government of your Highness was pleased to sanction a Scholarship of Rs 30 0 0 a month to each of the Memorialists three minor sons to enable them to prosecute their studies With this generous help the eldest of the above said three sons M Abdul Wahab passed his Matriculation Examination in 911, and has now been studying in the Intermediate Class As the courses of studies in the Indian Universities are long he has resolved to avail himself of the benefits of European education, and as such has attended the Cambridge Senior Local Examination recently held at Coonoor, in which he expects to secure a pass and which will obtain for him admission into the Inns of Court at London according to the recent rules

The Memorialists husband was the first in Mysore to realise the advantages of European education and send his son the late Mr Abdul Basith B A to England to study for law But unfortunately on his return journey a lamentable accident in the train, put an end to the promising career of this young man and shatterred for ever all hopes entertained by his distressed parents The Memorialist has now made up her mind to carry out the desire of her late husband by sending M Abdul Wahab to England to study for law

While ever grateful to your Highness for the timely help already rendered your Memorialist respectfully prays that in consideration of the present indigent circumstances of the family your Highness may be graciously pleased to extend the same generosity and bestow a suitable scholarship on her son M Abdul Wahab to enable him to prosecute his studies on his joining one of the Inns of Court at London, as was done in the case of many other young men with the object of encouraging higher education among your Highness's subjects In reply to her previous memorial on the same subject, your Memorialist was informed by an endorsement No 9256 Edn 347—09—, dated the 14th April 1910 from the General and Revenue Secretariat that separate orders will be passed about her prayer Relying on the hope thus generously held out to her the Memorialist is sending her son to England shortly

Should the Memorialist be so fortunate as to have her prayer granted she would as in duty bound for ever pray for the long life and prosperity of your Highness and the Royal Family
